## **WHAT?**

High-quality, FUN instruction in theatre arts, musical theatre, creative storytelling, and other educational areas related to performance and creativity.

### **KIDS ON BROADWAY – Grades Pre-K-5:**

- Students learn drama and vocal skills in this highly interactive class. Students engage in educational activities and acting exercises designed to build confidence.
- This class encourages students to explore their natural theatrical and musical talents!
- Even our youngest “performers” will build confidence and learn thinking and verbal skills that will help them in every aspect of their education.

### **MUSICAL THEATRE – Grades 6 -8:**

- This course focuses on the skills associated with musical theatre including acting skills, stage movement, and vocals.
- Students work on improvisational skills, famous monologues & skits, and musical selections from Broadway productions.
- Students also learn important audition skills to help them prepare for involvement in school and community drama productions. Older and more experienced students will learn how to take their abilities to the next level.
