WHAT?

High-quality, FUN instruction in theatre arts, musical theatre, creative storytelling, and other areas related to performance and creativity.

KIDS ON BROADWAY - Grades Pre-K-5:

- Students learn drama and vocal skills in this highly interactive class. Students engage in educational activities and acting exercises designed to build confidence and help students in every aspect of their education.
- This class encourages students to explore their natural theatrical and musical talents!

MUSICAL THEATRE - Grades 6 -8:

- This course focuses on the skills associated with musical theatre including acting skills, stage movement, and vocals. Students work on improvisational skills, famous monologues & skits, and musical selections from Broadway productions.
- Students also learn important audition skills to help them prepare for involvement in school and community drama productions

MUSICAL THEATRE & AUDITION SKILLS - High School:

- This class will meet from Sept. through mid - Dec. (14 classes) It is designed for high school students who are interested in all aspects of musical theatre performance. Students will practice "cold reading" and work on vocal pieces to perform at auditions. The goal will be to help students reach their fullest potential and to prepare students to successfully audition for musical productions in their schools & community.

COST?

\$580/year (\$300 for high school class)
